## What is Mentimeter?

**Prepare**

Build interactive presentations with the easy-to-use online editor. Add questions, polls, quizzes, slides, images, gifs and more to your presentation to create fun and engaging presentations.

**Engage**

Your audience uses their smartphones to connect to the presentation where they can answer questions. Visualize their responses in real-time to create a fun and interactive experience.

**Follow-up**

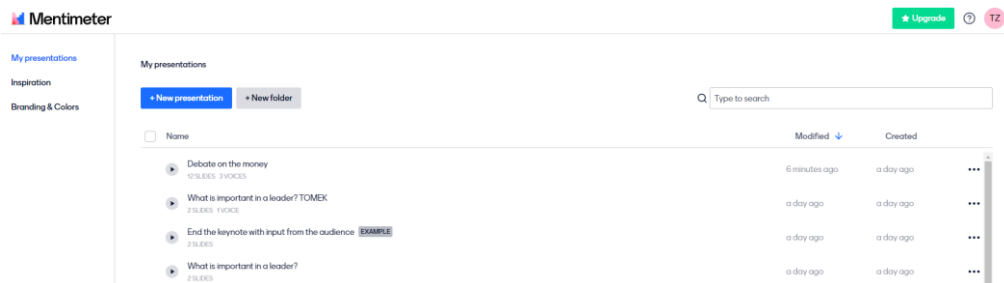

Once your Mentimeter presentation is over, share and export your results for further analysis and even compare data over time to measure the progress of your audience.

"I can pose a question easily and within a minute or two, have aggregated responses from every participant."

**For synchronous use only.**

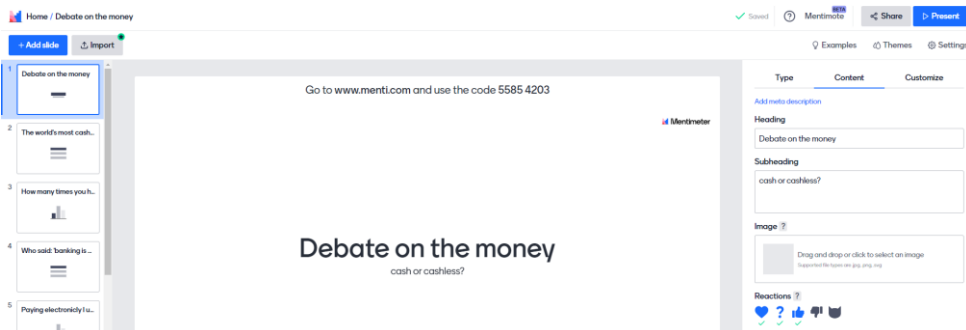

Very simple and quick.

Client mobile or PC.

The screenshot shows the Mentimeter dashboard. On the left, there are navigation options: "My presentations", "Inspiration", and "Branding & Colors". The main area is titled "My presentations" and contains a search bar and a table of presentations. The table has columns for "Name", "Modified", and "Created".

Name	Modified	Created
Debate on the money 12 SLIDES 3 VOICES	6 minutes ago	a day ago
What is important in a leader? TOMEX 2 SLIDES 1 VOICE	a day ago	a day ago
End the keynote with input from the audience EXAMPLE 2 SLIDES	a day ago	a day ago
What is important in a leader? 2 SLIDES	a day ago	a day ago

The screenshot shows a presentation slide titled "Debate on the money" with the subtext "cash or cashless?". The slide is displayed on a screen with a URL "Go to www.menti.com and use the code 5585 4203". The interface includes a navigation menu on the left with five slides, a top bar with "Share" and "Present" buttons, and a right sidebar for customizing the slide content.

# Google Forms

**For asynchronous use only.**

Suitable for **quizzes** and **tests**.

Based on the **Google Forms**

Each form is a separate file stored on the **Google Drive** and as such you can move it, send, copy and so on.

**Google Forms** is a web-based app used to create **forms** for data collection purposes. Although there are other online survey apps, **Google Forms** is an excellent free option. Create polls, surveys, quizzes, and event registration sheets using **Google Forms**.

Manage event registrations, create a quick opinion poll, and much more. With **Google Forms**, you can create and analyze surveys right in your mobile or web browser—no special software required. You get instant results as they come in. And, you can summarize survey results at a glance with charts and graphs.

**You can convert your quiz to a test**

**Easy to share with the group (via link)**
